What is the Bennett Clayton Foundation?

Established in 2003 by the family of Bennett Clayton DeBlicke, the Bennett Clayton Foundation for Children with OI works to enhance the lives of children and families living with osteogenesis imperfecta (OI) through education, support and research funding.

Here is just a bit of what we have accomplished thanks to support from events like this one:

- ♦ Donated over \$ 90,000 to the OI Foundation.
- ♦ Given over \$12,000 to MN families through our BCF Personal Health Grant Program.
- ♦ Have awarded three college scholarships.
- ♦ Provided scholarships for four families to attend the national OI conference.
- ♦ Hosted OI gatherings held annually in the metro area.

Thank you for all you do to help us reach our goal of supporting children and families living with OI!
